**MOTION FOR EXTENSION OF TIME**

---

COMES NOW, Colin M. Stephens, counsel of record for Defendant and Appellant, and respectfully requests an Extension of Time until July 5, 2010 in which to prepare, file and serve the Appellant's brief in the above entitled matter. I, Colin M. Stephens, request an extension of time because I have not been able to obtain the file of Public Defender Jeffery Olson, or the transcript of the settlement of jury instructions which are critical to the Defendant and Appellant's appeal. See attached affidavit. Opposing counsel has been contacted concerning this motion and does not object.

Dated this 1st day of <sup>June</sup>~~May~~, 2010.

STATE OF MONTANA       )  
                                  :SS.  
COUNTY OF MISSOULA    )

I, Colin M. Stephens, being first duly sworn upon my oath, depose and state as follows:

1.       I am a licensed, practicing attorney in the State of Montana, and am currently employed by the Office of State Public Defender, Appellate Defender Office, as a contract attorney.

2.       In my capacity as a contract attorney, I have been assigned to handle the above-entitled matter.

3.       The Appellant's opening brief was first due April 5, 2010. The brief is presently due on June 5, 2010.

4.       As shown below, I have exercised diligence and have a substantial need for the extension.

5.       One issue in this appeal depends upon obtaining the file of Public Defender Jeffery Olson who represented the Defendant-Appellant at trial.

6.       I requested the file April 23, 2010 and May 5, 2010, and as of yet, still have not heard back from Mr. Olson. It is unlikely that I will receive the file with enough time to meet the current due date of June 5, 2010.

7.       Furthermore, there remains an issue which requires the transcript of

the settlement of jury instructions in the above-entitled matter. The transcript of the settlement of jury instructions was not included in the transcript on appeal.

Mr. Olson maintains that he did not waive the Defendant-Appellant's right to have the settlement of jury instructions recorded, and that the Court Reporter misplaced the transcript. As of yet, we have been unable to contact the Cascade County District Court Reporter to find the missing portion of the transcript.

8. Therefore, for the above stated reasons and out of an abundance of caution, I move for an extension of time.

9. I will work diligently to complete the matter in the time requested.

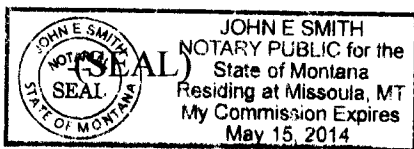

10. Opposing counsel has been contacted concerning this motion and does not object.

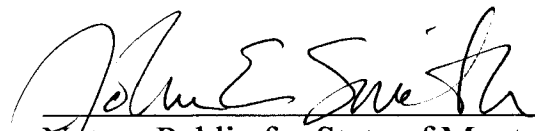

9. Further your affiant sayeth naught.
